

Time for Gardens

Are you a keen gardener? Do you have gardening skills and knowledge that you would be willing to share?
Would you like to take up gardening as a new hobby?

Do you have a garden that is challenging or don't know how to tackle those difficult gardening projects?

This is a new initiative to bring gardeners of all different abilities together to discuss gardening, growing food, “garden sharing” and other community gardening initiatives in Inverleith. The meeting is at **6pm until 8pm on Tuesday, 25th of October in Broughton High School's Community Room.**

If you would like to find out more please contact Anne or Nicola on 332 6316
