Some of what we did with your help

- More money for 'fun stuff to do' for children and young people – helped community centres and other projects including Kids in the Street (KITS), other voluntary projects and our two libraries – in short – more and better activities for children and young people.
- Cleaner and Greener – The cleanest streets in the city when Keep Scotland Beautiful checked them! Working with local 'friends of parks' and other groups we won three Green Flags - Craigmillar Castle Country Park, Figgate Park and Portobello Community Garden.
- Big improvements at Magdalene shops and Portobello High Street, and lots of other projects chosen by our Area Board and Environment Forum.
- Police's 'Safer Neighbourhood Teams' – better community safety and less crime. Over the summer youth calls were down 58% over two years.
- Improved play parks – Jewel Park, the Travelling Peoples Site and the new Bingham ball court.
- Improving Health – new services tackling drugs and alcohol. Advice on healthy eating. Extra sport for young people, lunch clubs for older people, funding for many voluntary community health projects etc.
- More local information – funding for the Craigmillar Chronicle and an improved Partnership website.

The area is cleaner, greener, safer and healthier thanks to your help and support.
