

## SERVICES FOR CHILDREN AND YOUNG PEOPLE WITHIN WESTERN EDINBURGH

This information has been put together by the Western Neighbourhood Partnership Children and Young People's Sub Group. This group exists to develop a better range of activities and resources for children and young people in the area.

One of the things that people have told us is that there is a lack of things for children and young people to do. We have completed an audit and have collated information about a wide range of services that are available within your community. We hope you will find this helpful.

If you are aware of any other services that are not listed here, please let us know and we will be very happy to help promote them. If you have any questions about any of the services listed, please contact the venue/community centre directly. We have included telephone numbers you might need.

If you have updates for us, please e-mail these to [gillian.johnston@edinburgh.gov.uk](mailto:gillian.johnston@edinburgh.gov.uk)
