Free routine dental treatment

Free routine dental treatment, for unregistered patients only, is available at the **Edinburgh Dental Institute** on the **second floor of the Lauriston Building**, Lauriston Place (the same building as the Blood Donor Centre). The treatment will be provided by trainee dental therapists supervised by senior staff.

Only certain routine treatments can be provided:

- Fillings and fissure sealants
- Repair of fractured teeth
- Non-surgical gum treatment.

More complex treatments such as tooth extractions, dentures, crowns, bridges or root fillings are not provided.

Ring 0131 536 4903 and leave your name and number on the answering machine.

We will call you back within a week to arrange an appointment.

Coming to us by bus?
The following Lothian buses stop on Lauriston Place:
routes 23, 27, 35 and 45.

Please note that patients already registered with a dentist cannot be accepted for treatment.
