

P&C NP – ENVIRONMENT FORUM

Briefing Note to Neighbourhood Partnership – 12 September 2012

The Forum met on 1 August 2012, and considered the three main issues below:

- Preparations for a statue in memory of Helen Crummy for installation outside the new Local Office and Library were underway;
- The NEP programme 2012-13 was well underway;
- A presentation on the new refuse collection arrangements was heard, which allowed a valuable exchange of information.

Another meeting was held on 5 September, and the next is expected on 3 October 2012.
