

LCP consultation 2014

Target response - 253

Actual - 348

What would your ideal of perfect area look like?

Main themes; **safe, clean, and friendly.**

Then : **green, peaceful, quiet, vibrant and community.** Some people did not answer this question.

Would you use these words to describe P&C?

Replies too diverse to analyse: many said **some but not all; Portobello ok but not Magdalene/Bingham; not at all: no worse than any other area; getting better;** many left unanswered.

Do you agree with EPS top 5 priorities? (Road/traffic improvements; activities for children/YP; dog-fouling; clean up area; better or affordable housing)

Most (75%) agreed that these were the top 5 priorities.

Have we missed anything important?

Most also said we had left something out: **anti-social behaviour: tidy streets; parking; activities for young people; dog-fouling, roads.**

Choose one single issue

Most popular were: activities for young people, clean- up area, dog-fouling; safety, housing; schools.

Portobello CC consultation

Around 100 people responded to a PCC consultation. When asked about what they liked living in Portobello 4 main themes arose:

Community Spirit; Parks/Prom Open Space; Location; Local Shops/High Street.

When asked what they thought could be changed to improve Portobello 4 themes arose:

Less litter and dog-mess; Traffic congestion improved; new High School; better local shops.

Police Plan - policing priorities for the Craigmillar / Portobello area were

- Antisocial Behaviour
- Housebreaking and other Theft
- Drug Dealing and Drug Abuse
- Assault and Violent Crime
