

**P&C NP – COMMUNITY SAFETY SUB GROUP:**

**Briefing Note to Neighbourhood Partnership – 24 February 2016**

Since the last Neighbourhood Partnership Meeting, the Community Safety sub group met again on 13 January 2016.

The sub group agreed that it should highlight to the next Neighbourhood Partnership that :

- The concern that uncollected rubbish and the end of free special uplifts has led to a disturbing increase in secondary fires in Craigmillar;
- The need for contractors to consult with local groups on safe routes for lorries to and from development sites;
- The continuing low level of crime and anti-social behaviour in the NP area, due to the close and effective partnership working in the neighbourhood.

**The date of the next meeting of the P&C Community Safety sub group is**

- **Wednesday 13 March 2016 at 2.00 pm in the East Neighbourhood Centre**
