(South Queensferry, Kirkliston,
Ratho, Currie and Balerno)
31 July 2016

NORTH WEST
31 July 2017

NORTH
28 February 2017

WEST
31 July 2017

CITY CENTRE
**31 July
2016**

SOUTH CENTRAL/EAST
28 February 2017

SOUTH
31 January 2018

The speed limit on many of Edinburgh's streets is changing from 30mph to 20mph.

20mph areas are safer for all.

- Safer for children to walk to school.
- Provides a calmer environment for walking and cycling.
- You are 7 times more likely to survive if hit by a car driving at 20mph than 30mph.

View your street at www.edinburgh.gov.uk/20mph
